REVOCATION AND NEW POWER OF ATTORNEY

Under 37 CFR §3.73(b), WYETH, a corporation, certifies that it is the assignee of 100% of the right, title and interest in the patent application identified above by virtue of a chain of title from the inventors of the patent application identified above to the current assignee as shown below:

1. From the inventors to Cambridge NeuroScience, Inc., as evidenced by the attached Assignment executed by the inventors.
2. Name change from Cambridge NeuroScience, Inc. to CeNeS Pharmaceuticals, Inc., recorded in the Patent and Trademark Office at Reel 016907, Frame 0175, on December 16, 2005.
3. From CeNeS Pharmaceuticals, Inc. to Scion Pharmaceuticals, Inc., recorded in the Patent and Trademark Office at Reel 016907, Frame 0190, on December 16, 2005.
4. From Scion Pharmaceuticals, Inc. to Wyeth, recorded in the Patent and Trademark Office at Reel 017696, Frame 0222, on May 31, 2006.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee.

The undersigned, acting on behalf of the assignee, hereby revokes all powers of attorney previously granted in the application and appoints the attorneys associated with **PTO Customer Number 26169**, with full power of substitution and revocation, to prosecute the application and to transact all business in the United States Patent and Trademark Office connected therewith.

All correspondence regarding the application should be sent to **PTO Customer
Number 26169**.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Date: 25 May 2007
